

To Whom It May Concern

Hayat Hospital is a 200 bedded, Multi-Super Speciality, tertiary care hospital, scientifically planned and strategically located at Lalgaon, Guwahati. Hayat Hospital have established themselves as the region's best known brand in private healthcare, synonymous with best-in-class patient experience and outcomes. Leveraging its track record for medical excellence, Hayat Hospital is committed to making a difference in people's lives through excellent patient care, steadily expanding its reach in markets where demand for quality care is strong and growing. Hayat Hospital is equipped with state-of-the-art technologies and most advanced diagnostic tools sourced from top of the line global manufacturers backed by dedicated specialists with national and international expertise in the field of medical science.

Hayat Hospital adheres to national and international standards for healthcare. Hayat Hospital is Entry Level NABH (National Accreditation Board for Hospitals & Healthcare Providers) accredited and NABL (National Accreditation Board for Testing and Clinical Laboratories) accredited.

Hayat Hospital has implemented BACKBONE in August 2019. The implementation of the software was carried out smoothly by the team. We appreciate the effort put by the team.

Thanks & Regards
