

Guntur,
24-01-2020

Dear Mr. Dinesh,

Greetings of the season.

We appreciate the software you have provided to us. We are happy with the system and able to visualize everything through your efficient system. We wish you every success and we wish that many more hospitals and likeminded institutions who wish to be transparent will adopt your system.

God Bless you.

Sr. Cletus

Director

St. Joseph's General Hospital
